6930 Carroll Avenue, Suite 340, Takoma Park, MD 20912

301-270-NIRS (301-270-6477); Fax: 301-270-4291

nirsnet@nirs.org; www.nirs.org

"We do not support construction of new nuclear reactors as a means of addressing the climate crisis. Available renewable energy and energy efficiency technologies are faster, cheaper, safer and cleaner strategies for reducing greenhouse emissions than nuclear power."
